STUDENT COUNCIL DIRECTS STATE CONFERENCE

Student Council members 1985-86 enjoyed a busy and rewarding term. This year's council members were more active and enthusiastic than any other. The regular school activities were carried out with greater than average participation. In addition to all the things council usually does so well, this year's group hosted the 1986 State Student Council Conference at Green Lake, WI. Effort, organization, and enthusiasm were required of all.

4. STUDENT COUNCIL OFFICERS: Betsy Vorlop, secretary; Mrs. Serpe, advisor; Robyn Davis, president; Patti Cordano, treasurer; Jenni Scott, school board representative; Jackie Michalek, vice-president.

5. A few of the council members take time out for a picture before participating in the annual C.R.O.P. walk.

IT'S ALL RELATIVE

*I have complained
(to my self)
that Halley's Comet
was a great disappointment.
However,
just knowing that the COMET and I existed
in the same space-time
and that the universe
through our language of mathematics
is able to communicate
with us.
satisfies something within me.
The fact
that I knew IT was out there
(once again)
united me
with the stars.
Together
I could feel the splendor of the Cosmos
and the beauty of life.
May I never forget the stars.*
